

UM-DAE Centre for Excellence in Basic Sciences (CEBS)

UM-DAE Center for Excellence in Basic sciences(CEBS) is an aided institution of Department of Atomic Energy. Established on 17th September 2007, as joint venture of the University of Mumbai (UM) and Department of Atomic Energy (DAE), Government of India at Kalina campus. The current CEBS Director is Prof. Vimal Kumar Jain and the current Academic Board Chairperson is Prof. J. P. Mittal.

UM-DAE CEBS offers five years Integrated M.Sc. Program in Basic sciences for students who have completed 10+2 schooling or its equivalent. A modern, flexible, and seamless curriculum of multi-disciplinary nature in areas of Chemistry, Physics, Biology, and Mathematics as been designed for So far 7 batches have passed out and are successfully pursuing careers in the field of science.

RSM-2019

Registration Process

For PhD students/scholars, a hard copy of Abstract along with certificate from the research supervisor should be enclosed with registration form.

Registration fee

For PhD scholars/students: INR 1000/-
For MSc/Non-PhD students: INR 500/-

The registration fee with registration forms must be paid through Demand Draft in favour of "UM-DAE CBS RSM 2019" or payable at Mumbai.

Payments can be made by NEFT transfer to

Account Name: UM-DAE CBS RSM 2019

Account No: 06720200000728

IFSC Code:BARB0KALINA(5th Character is Zero)

Bank name: Bank of Baroda (Kalina Branch)

www.cbs.ac.in

Last date for registration:

30/01/ 2019

Last date for Abstract submission:

25/ 01/2019

For contact:

Dr. Mahendra Patil
Secretary, RSM-2019

UM-DAE CEBS, University of Mumbai

Email: rsm2019@cbs.ac.in

Registration forms can be downloaded from:
<http://cbs.ac.in/pdf/registration-form-dec18.pdf>

31st RESEARCH SCHOLARS' MEET RSM-2019

Organized by

UM-DAE Centre for Excellence in Basic
Sciences, Mumbai

in association with

Indian Chemical Society

(Mumbai Branch)

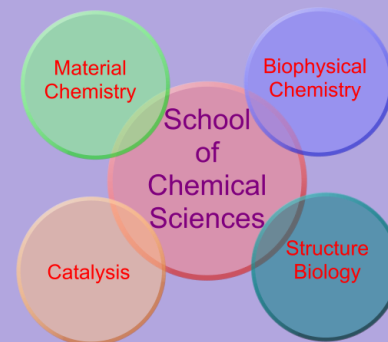

on

February 8-9, 2019

Venue

UM-DAE CEBS

University of Mumbai, Kalina Campus

Call for Abstract

The 31st RSM-2019 calls for abstract for paper presentation from doctoral students. Students who have completed at least two years of research from the date of registration will be considered for oral presentation at RSM-2019. The RSM-2019 also calls for poster presentation from post graduate students. The students who are pursuing M.Sc. Degree with 1 year completion of course from University, affiliated colleges or autonomous colleges/universities in Mumbai are eligible for poster presentation at RSM-2019.

The abstracts for paper/poster presentations should be limited to 300 words and must highlight the research work. It should specify the name of the research scholar (presenting scholar only) and of the research guide(s). Please use the word processor (MS Word) with the following settings: A4 size (11.69" × 8.27"): margins of 1.5" on left and 1" on all other sides; font Times New Roman: line spacing 1.5 lines and spacing after para 6 pt; line1: title in capital, bold and in 14 point font size; line2: author's name (underlined) and name of research guide (asterisk); line3: email ids; line4: name of affiliated institution; line5: body of abstract in font size 12; keywords (maximum 6) to be mentioned at the end of body; references (2 no.) have to be included in following format:

V. Malavade, M. Patil *J. Org. Chem.* 81 (2016) 632-639.

All abstracts will be reviewed by technical committee and short-listed candidates will be informed by email. It is mandatory for the concerned research supervisor to be available at the time of presentation.

RSM

Research Scholars' Meet (RSM) is an important event of Indian Chemical Society (Mumbai Branch). It provides a platform to Ph.D students to present their work and showcase themselves in front of experts of Chemical Sciences. Research scholars registered for doctoral program can present and discuss their work to get valuable suggestions from experts in the field. Interaction among the students, scientists and teachers from BARC, TIFR, IITB, UM, ICT, CEBS and colleges affiliated to Mumbai University is expected to be fruitful experience.

School of Chemical Sciences, CEBS

At School of Chemical Sciences, major research areas are Pd-based catalysts for the synthesis of heterocyclic compounds; synthetic organometallic chemistry; Laser matter interactions; theoretical and computational chemistry; materials for OLED and OPV devices; investigations on drug-protein interactions, bio-physical chemistry (Screening of small molecules against drug-resistant malaria targeting actin polymerization mechanism and Plasmeprin-II in Plasmodium; prevention of protein aggregation and infectious diseases by natural and synthetic inhibitors; molecular mechanism of amyloid fibril formation and disaggregation) development of ultra-high-resolution NMR methods and their applications in chemistry and biology, etc.

Organizing Committee

Prof. N. Agarwal	Convener
Dr. M. Patil	Secretary
Dr. A. Kale	Treasurer
Prof. S. K. Ghosh	
Prof. D. K. Palit	
Prof. S. Haram	
Prof. A. V. Karnik	
Prof. S. Garje	
Prof. M. Ramanna	
Dr. R. K. Vatsa	
Dr. P. A. Hassan	
Dr. Sandeep Nigam	
Dr. K. I. Priyadarsini	
Dr. V. Sudarsan	
Dr. B. Ahmad	
Dr. S. Choudhary	

Technical Committee

Dr. A. K. Srivastava
Dr. A. V. Karnik
Dr. S. Garje
Dr. M. Ramanna
Dr. D. B. Naik
Dr. B. K. N. Singh
Dr. Sandeep Nigam
Dr. Nand Kishore
Dr. S. D. Samant
Dr. Sinjan Choudhary
Dr. Basir Ahmad
